Data of the research outputs

Faculty of Social and Political Sciences
## Tbilisi State University

Outline

Information is categorized by departments of the faculty of Social and Political Sciences, Tbilisi State University
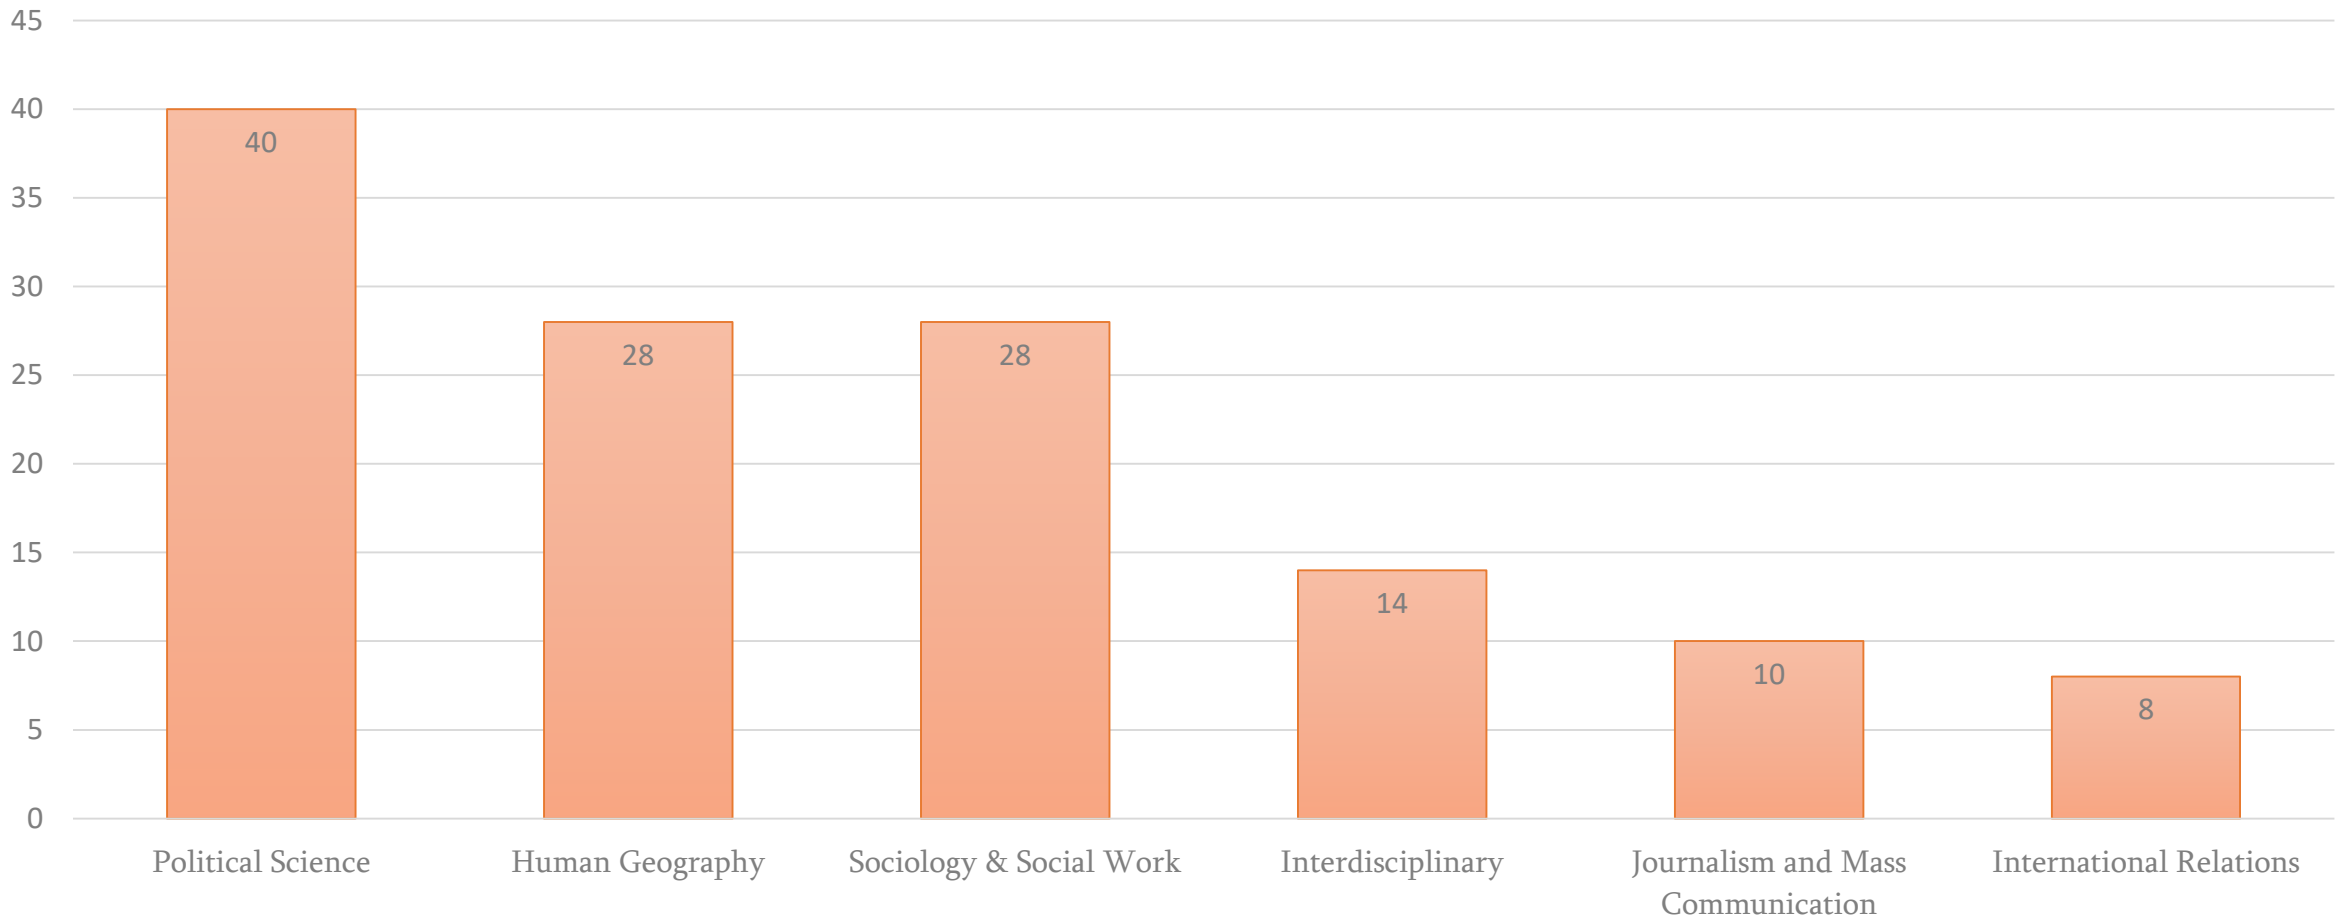

- Data from Google Scholar
- Data from Scopus
- Data from Web of Science

Data from Google Scholar

NUMBER OF CITATIONS IN GOOGLE SCHOLAR OVER THE LAST 5 YEARS (CATEGORIZED BY DEPARTMENT)

Department	Citations
Political Scinece	861
Human Geography	496
Sociology & Social Work	463
Interdisciplinary	266
International Relations	151
Journalism and Mass Communication	56

NUMBER OF CITATIONS IN GOOGLE SCHOLAR OVER THE LAST 5 PER YEARS PER ACADEMIC STAFF (CATEGORIZED BY DEPARTMENT)

| Department	Citations
Political Science	40
Human Geography	28
Sociology & Social Work	28
Interdisciplinary	14
Journalism and Mass Communication	10
International Relations	8

NUMBER OF H-INDEX IN GOOGLE SCHOLAR OVER THE LAST
5 PER YEARS PER ACADEMIC STAFF MEMBER (CATEGORIZED
BY DEPARTMENT)
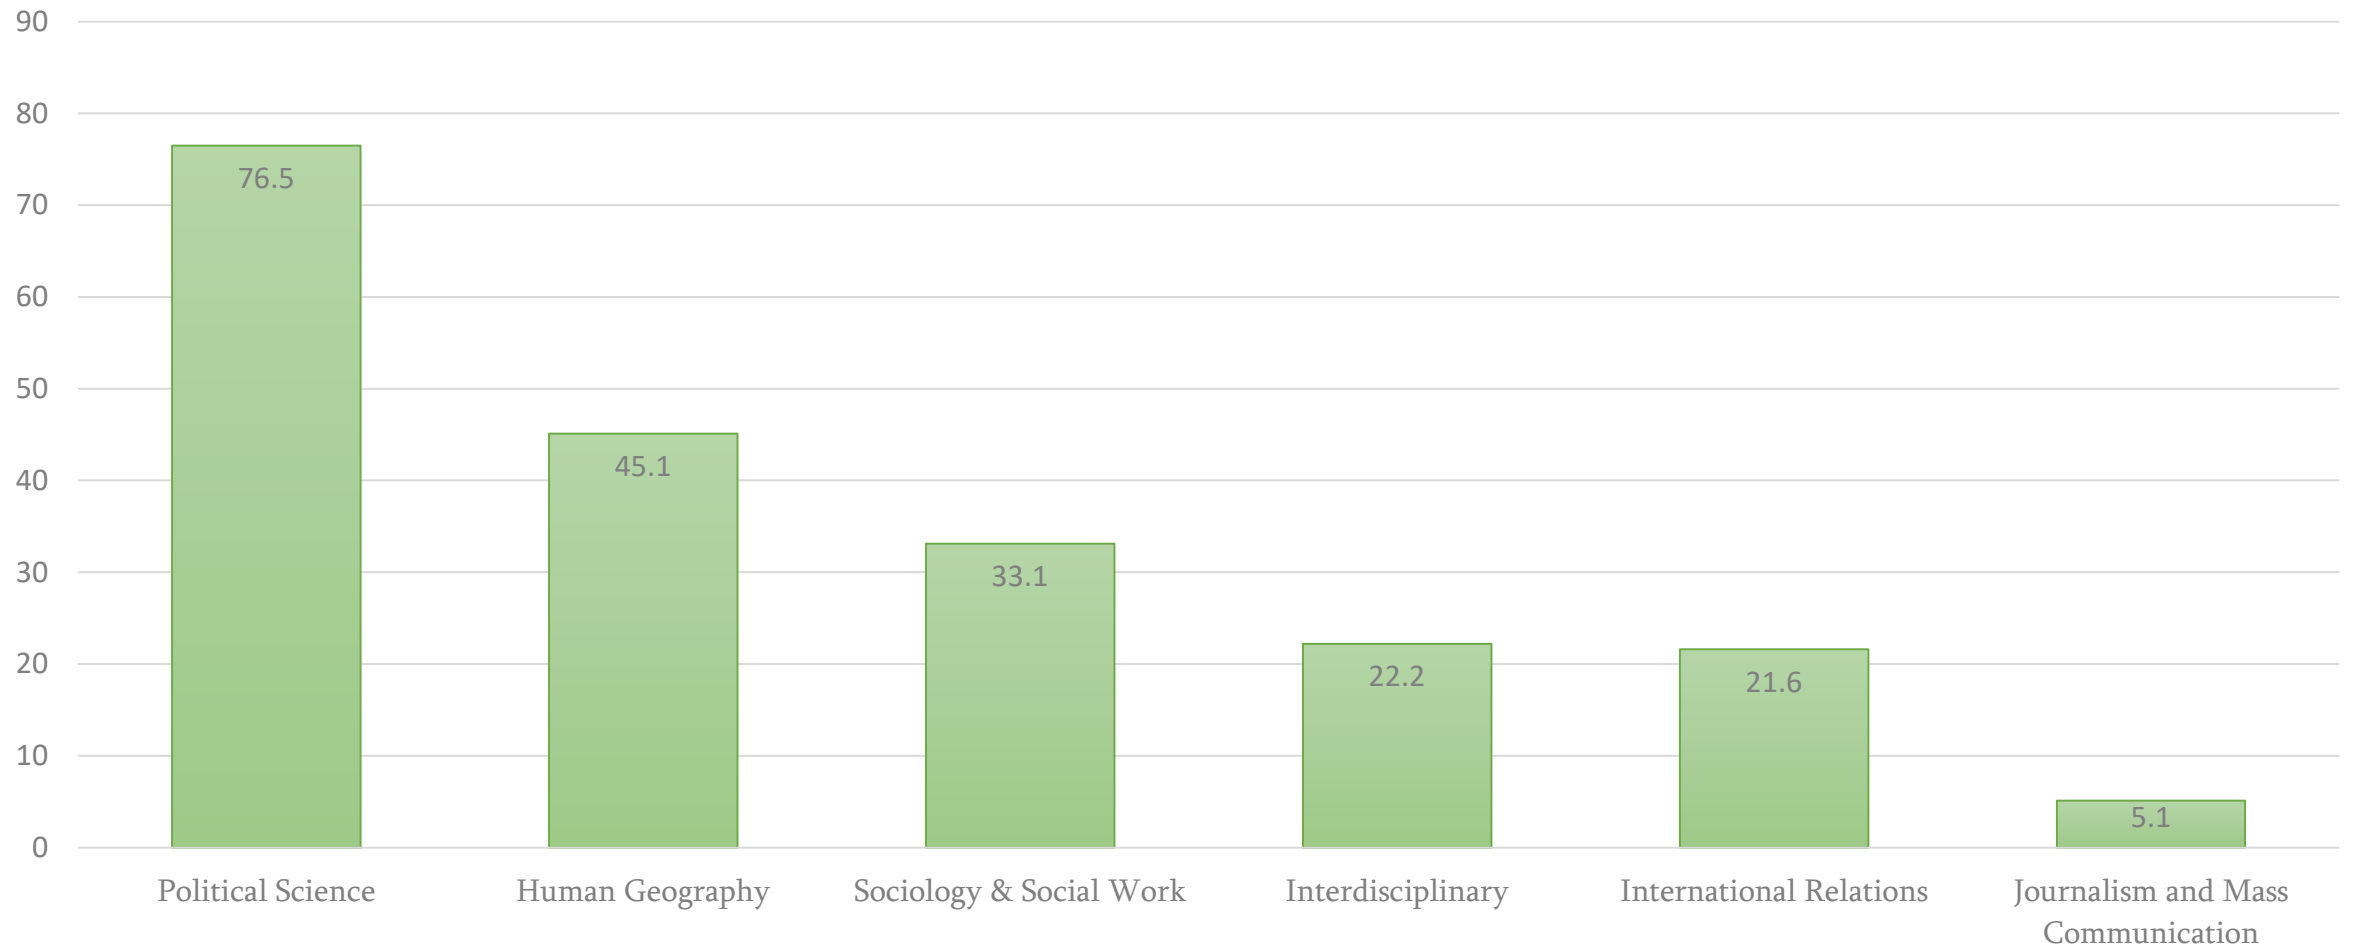

The number of publications in Google Scholar from 2021 to 2024 (categorized by department)

| Department	2021-2022	2023-2024
POLITICAL SCIENCE	59	71
JOURNALISM AND MASS COMMUNICATION	33	24
SOCIOLOGY & SOCIAL WORK	29	22
HUMAN GEOGRAPHY	28	33
INTERDISCIPLINARY	21	17
INTERNATIONAL RELATIONS	12	11

■ 2021-2022 ■ 2023-2024
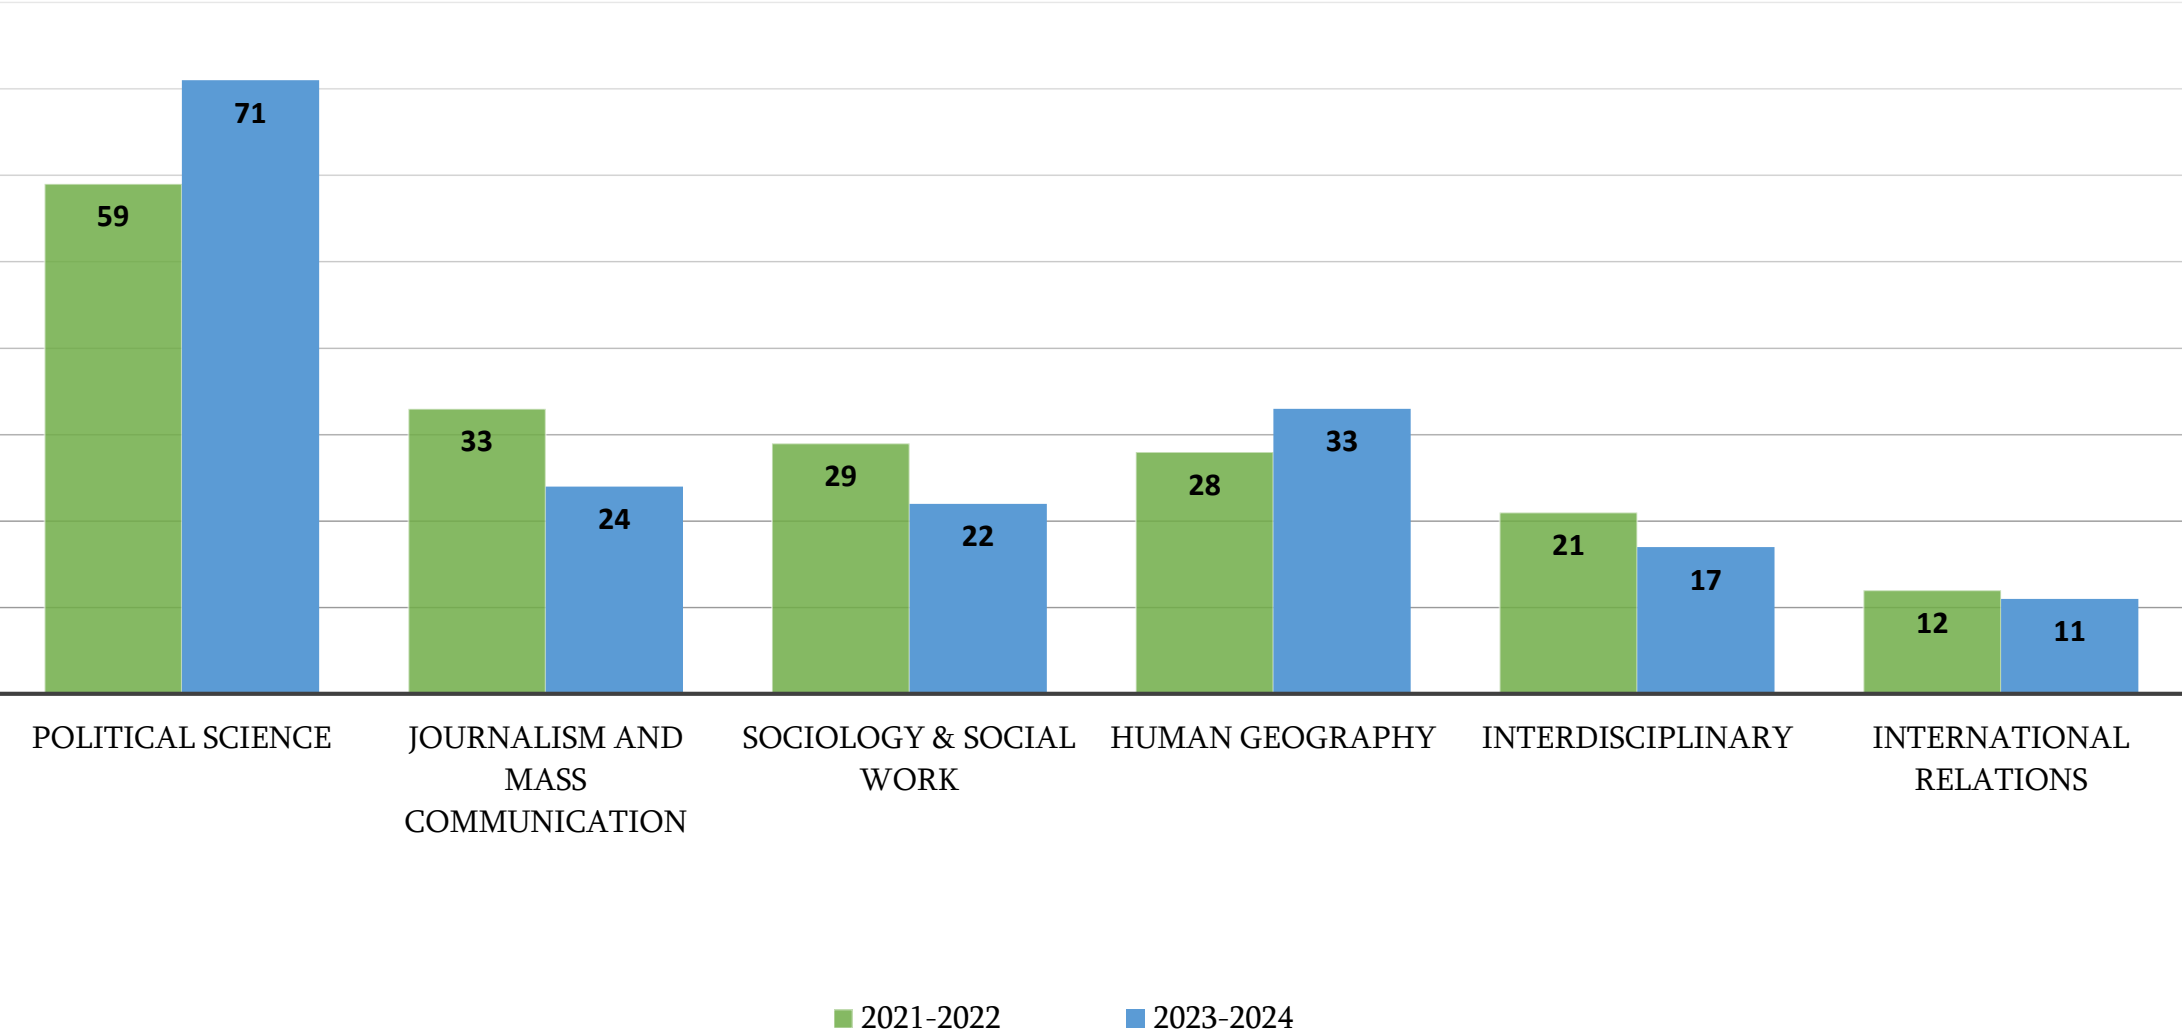

The number of publications in Google Scholar from 2021 to 2024 per academic staff (categorized by departments)

| Department	Value
Political Science	11.8
Human Geography	5.5
Journalism and Mass Communication	5.2
Interdisciplinary	4.4
Sociology & Social Work	3.6
International Relations	3.3

Data from Scopus

The number of scientific publications in Scopus from 2022 to 2024 (categorized by departments)

Total number of scientific publications published in Scopus from 2022 to 2024, categorized by departments.

Department	Publications
International Relations	3
Journalism and Mass Communication	4
Interdisciplinary	5
Sociology & Social Work	9
Human Geography	12
Political Science	20

Total number of publications published in Scopus in 2022-2024 (by department) per academic staff member

| Department	Value
Journalism and Mass Communication	0.36
International Relations	0.42
Interdisciplinary	0.42
Sociology & Social Work	0.64
Human Geography	1.1
Political Scinece	1.82

Data from Web of Science

The number of scientific publications in Web of Science from 2022 to 2024
(categorized by departments)
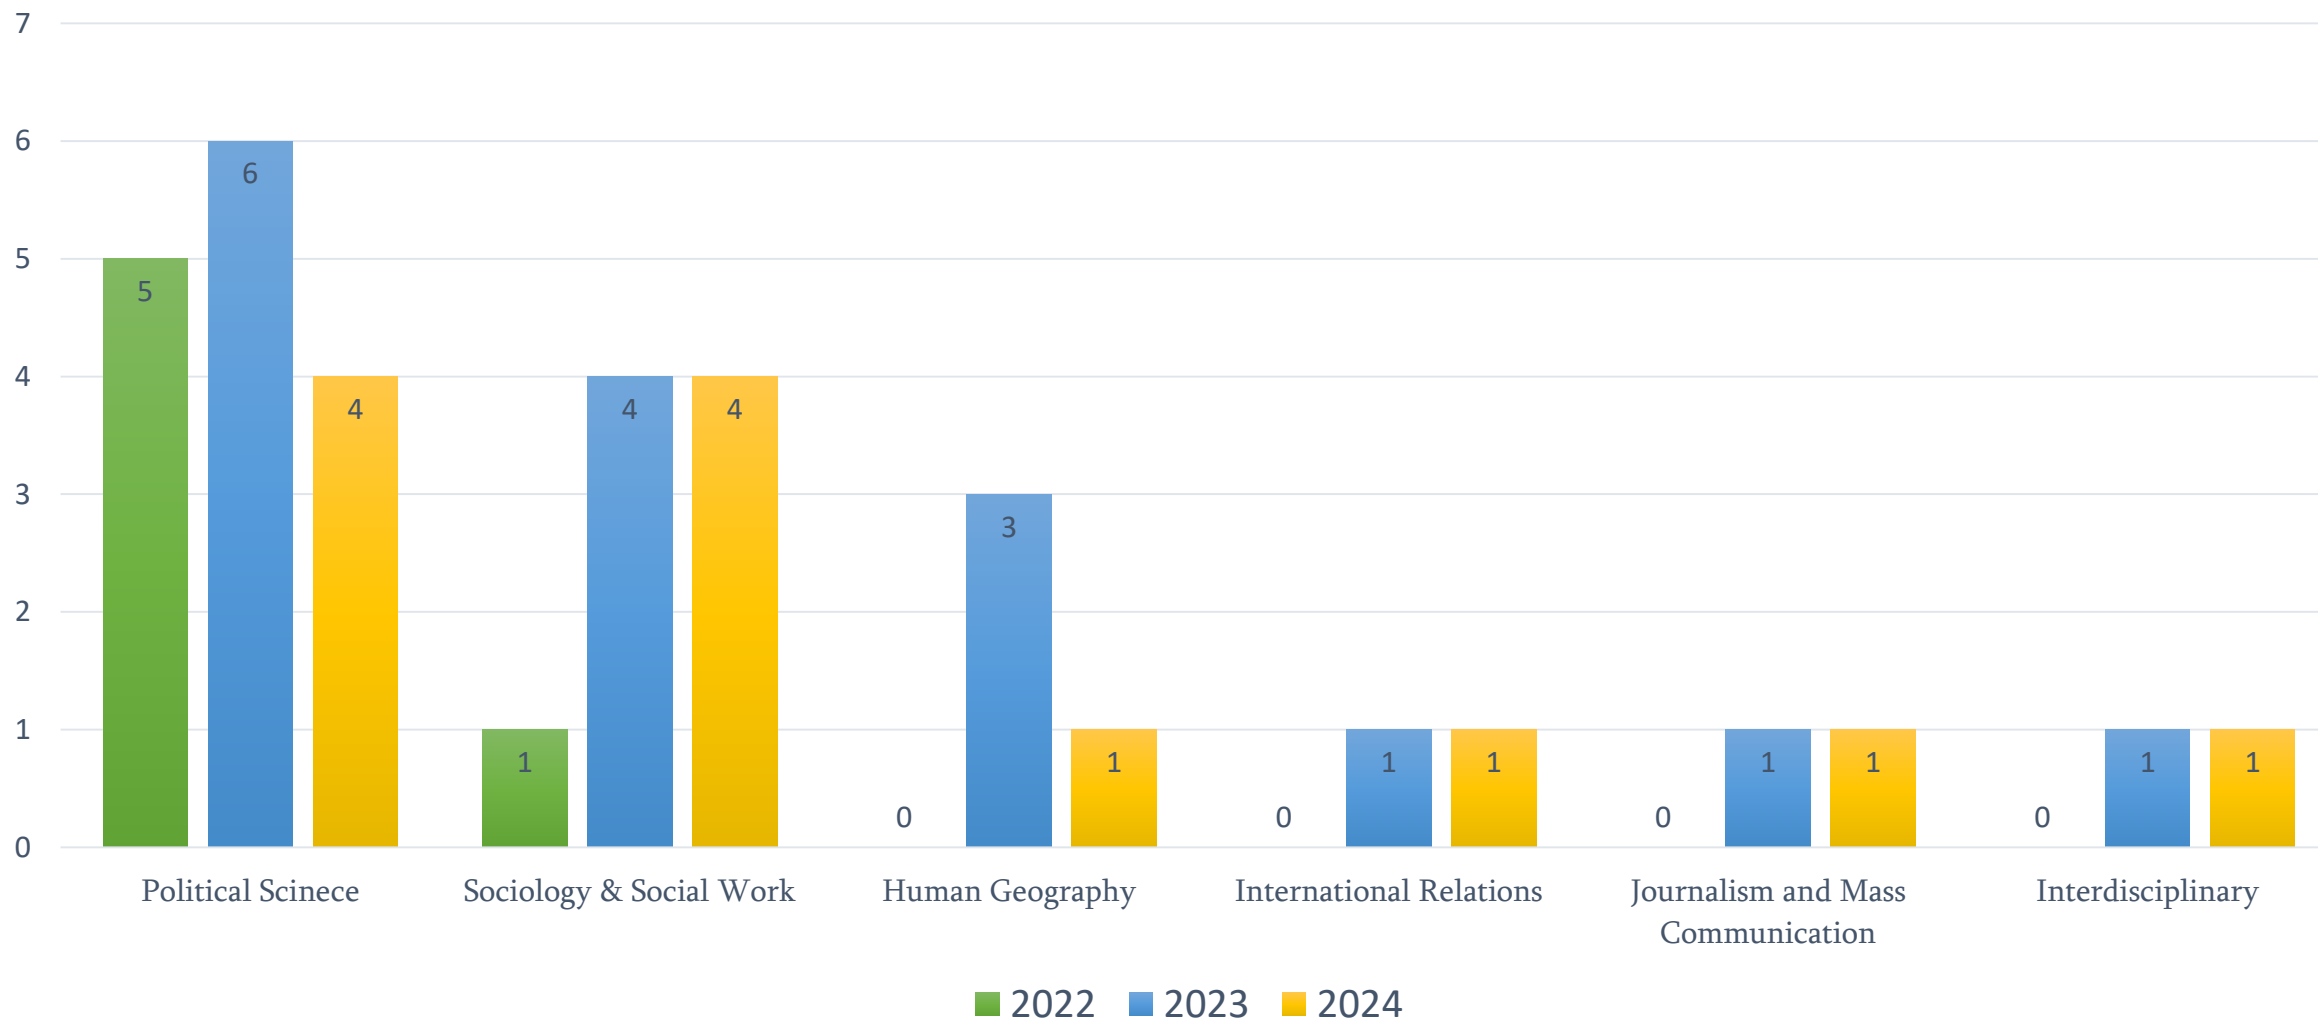

Department	2022	2023	2024
Political Scinece	5	6	4
Sociology & Social Work	1	4	4
Human Geography	0	3	1
International Relations	0	1	1
Journalism and Mass Communication	0	1	1
Interdisciplinary	0	1	1

2022 2023 2024

Total number of scientific publications published in Scopus from 2022 to 2024, categorized by department

Total number of publications published in Web of Science in 2022-2024 (by department) per academic staff member

Department	Value
Journalism and Mass Communication	0.18
Intersdisciplinary	0.18
International Relations	0.28
Sociology & Social Work	0.29
Human Geography	0.82
Political Scinece	1.36
