

Estonian Ministry of Foreign Affairs Scholarship 2021 for **Postgraduate International Business Administration Master's** **Programme for students from Georgia**

Estonian Entrepreneurship University of Applied Sciences (EUAS) is delighted to announce the Estonian Ministry of Foreign Affairs (MFA) two-year scholarship for a student from Georgia. This scholarship is open to a full-time student undertaking the International Business Administration Master's (IBA) programme at the EUAS and starting their study in September 2021.

Eligibility

- To be considered for the scholarship the student must:
- be a citizen of and resident in Georgia during the application process
- have been accepted for a full-time IBA Master's programme September 2021 intake at the EUAS
- self-funding student (not holding a scholarship nor be fully sponsored)

Scholarship Amount

- The successful candidate will be awarded a scholarship that covers full tuition fees and pays a monthly stipend.
- The scholarship will be initially awarded for the autumn semester and will be extended on merit.
- Total amount for 2 years is 18 468 EUR. Including tuition fee 10 868 EUR; accommodation and living cost 7600 EUR.
- Self-financing is 972 EUR.

HOW TO APPLY?

Please follow the application process on EUAS's website www.euas.eu as there is no separate application form for the scholarship. All applicants from Georgia gaining an admission for the IBA Master's programme are automatically considered for the MFA's scholarship. The scholarship is allocated to the best applicant from Georgia based on the admissions ranking list.

If you have further questions, please don't hesitate to contact our Admission Department at admissions@euas.eu.

The application deadline is **31st July 2021**. Applications that have not been accompanied by a confirmation of admission to the EUAS by the application deadline will not be processed.

Estonian Development Cooperation scholarships are funded by the Estonian Foreign Ministry's Development Cooperation and Humanitarian Aid funds
