Questionnaire for students (evaluation of teaching courses)

Dear students,

The survey for students is conducted at TSU each semester. The purpose of the survey is to improve teaching and learning at the university.

Please complete the questionnaire, receiving your feedback is critically important.

The LMS.TSU.GE database ensures full protection of anonymity during the survey process. Please sincerely state your opinion on the issues raised in the questionnaire.

Name of Study Discipline: _____

Lecturer Name, Surname: _____

Training Course and Syllabus

Please rate each statement on a 4-point scale, where 1 means that “I completely disagree”, and 4 means – “I completely agree.” Please mark only one answer.

Questions	I totally disagree	Disagree	Agree	Fully agree
The syllabus was introduced to us by the lecturer at the very first lesson				

From the syllabus, I clearly understood the course objectives.				
The course content (topics) are adequate for the objectives and outcomes of the learning course				
The literature to process within the course is available.				
The literature used in the learning course is relevant to the course.				
Assessment methods and forms are in compliance with the objectives and results.				

A lecturer
